

**Proctor Speedway Cash Payment Contract**

As of May 1, 2018 Proctor Speedway will be doing a time limited trail period on paying our purse in cash. The effectiveness of this procedure will be reviewed in a future date to determine if we will continue with this form of payment.

This document will serve as an agreement between the driver and Proctor Speedway to receive these payments.

Please note the following:

- All Drivers must complete this document, a current W9, and have a valid WISSOTA license
- By completing this document you understand that although you are being paid by a cash payment form, Proctor Speedway is still documenting all of your earnings and completing the appropriate documentation for your earnings with the IRS.
- Weekly you will need to sign next to your finishing position to indicate that you have picked up your cash and it is the correct amount.
- Only drivers and individuals identified on this document will be allowed to receive the cash payments.
- All payments must be picked up within 3 race nights, or other arrangements will need to be made with the Proctor Speedway Treasure.

Proctor Speedway reserves the right to return to a different form of payment at any time to best meet the business's needs.
